MISSIONARY OF THE MONTH

Dorothy McClure

MICRONESIA

David and Dorothy were approved as World Baptist Fellowship missionaries to Indonesia in 1973. They have also served in Micronesia, the Fiji Islands, and the West Indies. After 44 years of serving in the mission field together, David went home to be with the Lord in 2017.

Dorothy continued the work in Micronesia until she retired. Now her son Terry and grandsons Andrew and Joshua, along with their families, continue the mission work that Dorothy and David began so many years ago in Micronesia. Dorothy is still very much involved in the mission work in Indonesia, on the Island of Java, where she and her late husband started a Bible Institute in Purworejo. The institute is now a Baptist college, training preachers and teachers in the Gospel. Students who recently graduated took 100 Bibles to a nearby island, Sumba, and several people were saved and baptized during this trip. Dorothy requests prayer for all of these young men and women as they witness for the Lord.

She would like to thank you for your prayers and support. May the Lord bless you all!
